

Because Of Our Lasting Love

Paul F. Page
ASCAP

1. When there's no time or space our love will be.
2. When there's no rush of wind or a summer breeze;
3. When stars no longer shine we will still be one.

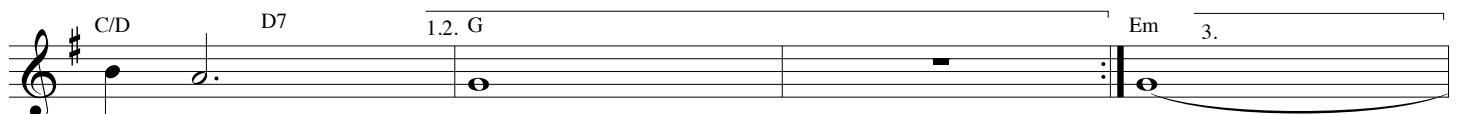

1. When there's no earth or sky there'll be you and I.
2. When song birds cease to sing in the forest trees;
3. E - ven when day is done there will still be sun.

1. When all things come to an end we'll still be such
2. When waves stop pound - ing up - on the sea - shore I'll
3. And when all sen - ses cease and night comes we'll

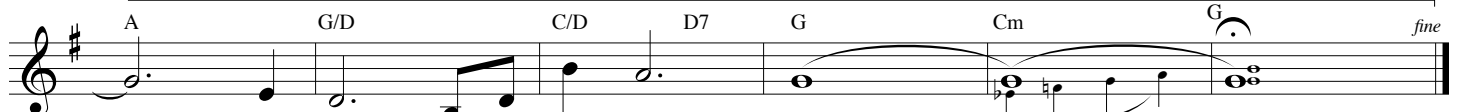

1. spe - cial friends. We'll ne - ver be lost. E - ver
2. still keep - lov - ing you more each mo - ment for
3. still be al - right when night comes be - cause of our

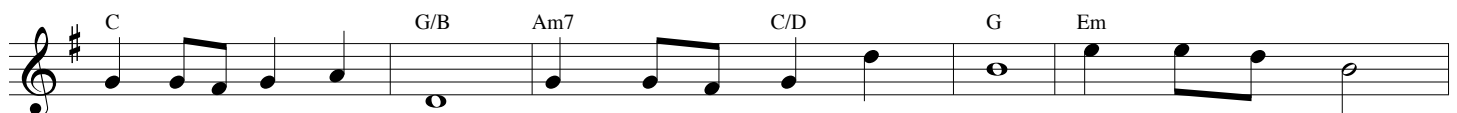

1. one we'll be.
2. e - ver - more.
3. last - ing

3. love,

be - cause of our last - ing love.

2. We are a spe - cial pair shar - ing a love so rare. Who e - ver thought

there could be such a love as you and me?
